

Late Iron Age  
(50BC - AD70)

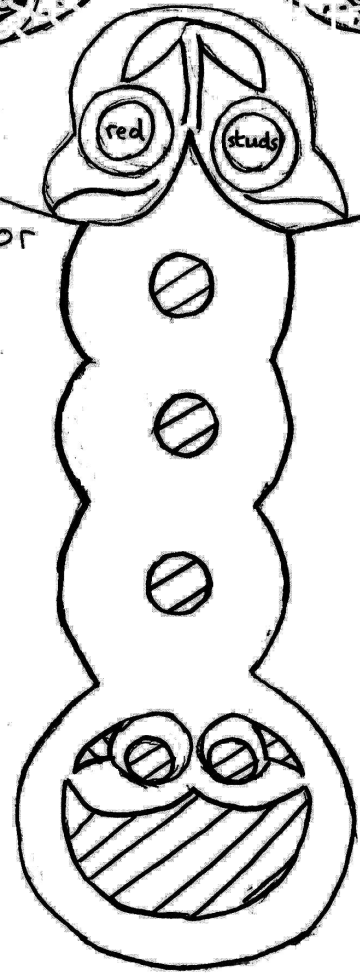

The Holcombe Mirror  
found in a pit  
under a Roman  
villa on Higher  
Holcombe Farm in  
Uplyme, Devon.

Trace over  
the dashes  
to complete  
the design

shade in these  
areas

Cut these bits out

It might have been  
hung this way - can  
you see the catface?

Dug up in 1970.
